

SUBSTANCE MISUSE AND EMERGING TRENDS TRAINING

On this training delegates will learn about the latest drugs that are being misused in the UK and how to spot the signs and support and educate people who have possible drug issues. This is an interactive course that aims to increase the knowledge and confidence in staff also acting as an update on drug trends including the future of cannabis legislation and the dark web.

Course Content:

- Drugs, what they look like, slang names, how they are used, purity, effects and risks
- Cannabis myths and facts
- Updated drugs and the law
- Drug use and the internet
