

SAINTS
FOUNDATION

03/01/20

In December, Stacey Miller supported the Premier League Primary Stars team at Saints Foundation to deliver a PSHE Celebration event at St Mary's Stadium. 10 schools from Southampton came along and took part in workshops about teamwork, developing their knowledge and schools through fun games and activities.

Stacey was incredible with the pupils and teachers, engaging with them all the minute they turned up to make them feel comfortable. Stacey planned and delivered a '*How to be a good friend*' workshop, exploring different scenarios in which one could be a good or bad friend. Stacey's knowledge and passion shone through as she involved pupils in discussion and practical activity.

Yours Sincerely,

The Premier League Primary Stars Team

Signed by Louis Ryan on behalf of the Primary Stars Team.
